

Screenshot

1. Login screen page

A screenshot of a web application window titled "LoginPage". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is light gray and contains a login form. The form has two input fields: "Username:" with the text "system101" and "Password:" with masked characters (dots). To the right of the password field is a "Login" button. Below the password field are two smaller buttons: "Register" and "Forgot password?".

Register Forgot password?

2. Register page

A screenshot of a web application window titled "RegisterPage". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is light gray and contains a registration form. The form has six input fields: "First name:" with the text "Jimmy", "Family name:" with the text "Rungpeng", "Username:" with the text "system101", "Password:" with masked characters (dots), "Re-enter password:" with masked characters (dots), and "Email:" with the text "naticus300@gmail.com". At the bottom of the form are two buttons: "BACK" and "REGISTER".
